Getting around and between the Solitude Mountain Resort base areas is easy. The two primary locations for all services are Solitude Village and Moonbeam Base Area. Follow the directions below and refer to the map above.

### Getting From Moonbeam Base Area (Entry 1) to Solitude Village:

You can ski/ride to Solitude Village from the top of any chairlift on the mountain but the quickest route on snow is to ride the Link chairlift from Moonbeam Base Area. Then, simply ski/ride directly down to the village. Legs giving out? Catch the Solitude Shuttle in front of the Moonbeam Lodge 13 and take a ride to the village. 7 The Solitude Shuttle runs frequently during the winter from 8:30 a.m. to 5 p.m.; call 801-534-1400 for exact times.

### Getting From Solitude Village to Moonbeam Base Area:

For ski/ride access to the Moonbeam Base Area from Solitude Village, walk across the Village Bridge towards Last Chance Lodge 11 and up the short hill onto Easy Street, a beginner trail. You can also catch the Solitude Shuttle at Solitude Resort Lodging (SRL) Reception 7 and be dropped off in front of Moonbeam Lodge 13 at Entry 1.
